

# eBooks

on EBSCOhost®

## Platform Overview

1. End user interface → EBSCOhost
2. Library admin → EBSCOadmin
3. Library discovery, selection , ordering → ECM

*A single, fast, fully integrated research platform*

# Platform – End User

## Platform

eBooks on EBSCO*host* provides an optimized user experience

- Integrated search
- Strength of the EBSCO*host* platform
- Familiarity for existing EBSCO*host* users
- Strength of EBSCOadmin
- More downloadable eBooks
- Audiobook improvements
- TOC in results and detail record
- Print this section, save PDF pages, email PDF pages
- eBook browse
- Citation support
- Permalink
- COUNTER compliant usage stats

## Consider Bringing Your Existing eBooks onto EBSCOhost

- For eBooks that you own and access through another aggregator platform, you may be able to migrate these to EBSCOhost for a more integrated approach to searching your collection
- Many eBook publishers have agreed to allow this “switch” at no cost; others may carry a nominal fee
- Upon request, EBSCO can conduct an analysis of your current eBooks on other platforms and provide a list of those available to switch to EBSCOhost

- Academic Search Elite**  
Academic institutions worldwide depend on this database as their core resource of scholarly information. *Academic Search Elite* contains full text for more than 2,100 journals, including more than 1,700 peer-reviewed titles. This multi-disciplinary database covers virtually every area of academic study. Full text information in this database dates as far back as 1985. This database is updated on a daily basis via EBSCOhost.  
[Title List](#) [More Information](#)
- Academic Search Premier**  
This multi-disciplinary database provides full text for more than 4,600 journals, including full text for nearly 3,900 peer-reviewed titles. PDF backfiles to 1975 or further are available for well over one hundred journals, and searchable cited references are provided for more than 1,000 titles.  
[Title List](#) [More Information](#)
- AudioBook Collection**  
Audio Book Collection includes downloadable audio content that your institution has selected. Titles can be downloaded and listened to from your computer or your audible device (iPod, etc.). The material includes both Fiction and non-Fiction works.  
[Title List](#) [More Information](#)
- eBook Collection**  
eBook Collection provides full text of electronic books. The collection contains a variety of material that your institution has selected and can include content from a wide range of subject areas spanning the sciences, humanities and arts.

## User Notice if Title is Unavailable (If all available accesses are in use)

The screenshot shows the EBSCO search interface. At the top, there are navigation tabs: "New Search", "Publications", "Subjects", "Images", and "More". On the right, there are links for "Sign Out", "Folder", "Preferences", "Languages", and "Help". The search bar contains the text "Renewable energy sources that use indigenous resources h" and a "Search" button. Below the search bar, there are options for "Basic Search", "Advanced Search", "Visual Search", and "Search History". The main content area shows a list of search results. A dialog box is overlaid on the screen, displaying the message "Sorry, this eBook is in use." and a "Place Hold" section. The "Place Hold" section includes a text input field with the email address "johnsmith@yourdomain.com" and a checked checkbox for "Always use this e-mail address". Below this, there is a "Hold Queue" section that states "Currently 6 other users in the hold queue for this eBook". At the bottom of the dialog box, there are two buttons: "Place Hold" and "Cancel".

### Using ECM

**New Customers**, use our Online Guides to take your Library's Collection to the next level. The links below will provide you with the information you need to get started.

1. **Accounts, Lists, and Ordering: an Overview of EBSCOhost Collection Manager**

# EBSCOhost Collection Manager

EBSCOhost Collection Manager (ECM) is a powerful tool to help you acquire eBooks and Audiobooks that can be delivered on the EBSCOhost platform. Use ECM to search or browse for titles, or select from the great Subject Sets or pre-built collections that our collection development staff have created for you. ECM will allow you to establish PDA accounts and select from different ownership models.

### Patron Driven Access

PDA purchase models allow you to create a list of pre-selected titles. Only paying for what your patrons use...saving you time and staying on budget.

[Create a PDA List](#)

### Audiobooks

PDA purchase models allow you to create a list of pre-selected titles. Only paying for what your patrons use...saving you time and staying on budget.

[Browse Audiobooks](#)

### Subject Sets

The easiest way to get started, or just grow your eBook and Audiobook collection, is with our expertly crafted Subject Sets.

[Browse Subject Sets](#)

### Featured Collections

As the role of the public library continues to evolve, we are constantly enhancing our catalog to help you meet the needs of an increasingly diverse population.

[Browse Collections](#)

### Custom Collections

Let our team of Collection Development Specialists help you create your list. Our experts will develop a custom list that meets your needs and budget.

[Request a Custom Collection](#)

### Adobe® Content Server

Want your patrons to be able to download content. Adobe® Content Server 4 software digitally protects PDF and reflowable EPUB eBooks.

[More Details](#)

# Expanded Business Models

- Get more from your eBook budget
- Take advantage of a limited time program to receive 5% back on all eBook purchases made between now and March 31, 2012
- EBSCO will alert you to the total rebate as of April 30, 2012
- You can elect to use the accrued rebate toward the purchase of eBooks or other EBSCO resources – or request a check (only certain currencies)
- All rebates must be applied by June 30, 2012

## Expanded Business Models

Model	Target Release
Purchase: Single User	
Purchase: Three User <b>NEW</b>	<b>Available Now</b>
Purchase: Unlimited User <b>NEW</b>	<b>Available Now</b>
Lease <b>NEW</b>	Late 2011
Enhanced PDA <b>NEW</b>	Late 2011
Subscription <b>NEW</b>	2012

## Patron Driven Acquisition (PDA)

- Available for use with any of the purchase or lease models
- Library selects titles to be included in PDA, option to have multiple PDA lists
- Titles are automatically purchased when meaningful use occurs
- Smart PDA (e.g. automatically upgrade from 1U to 3U after 5 turnaways)

## Patron Driven Acquisition (PDA)

- ‘Meaningful Use’ includes any of the following
  - 10 minutes in full text
  - 10 page turns in full text
  - Downloading
  - Printing, emailing, or copying any portion of full text
- PDA management through ECM

# Collection Development Options

## Collection Development Options

Multiple options, title-by-title flexibility

1. Subject Sets
2. Featured collections
3. Custom Collections
4. Search title-by-title
5. Patron Driven Acquisition (PDA)

## ADA 508 Accessibility

- Full 508 Accessibility
- Formed *EBSCO Accessibility Interest Group* to go further
  - Led by the Illinois Center for Instructional Technology Accessibility (iCITA) at the University of Illinois at Urbana/Champaign, is comprised of professionals from many colleges and universities who work in the area of web accessibility for the disabled.
- Exceed web accessibility standards through:
  - Elimination of most tables to improve searching with screen readers or keyboard controls
  - Descriptive page titles, section header tags and selected link labels
  - Redesigned form controls for easier tab navigation
  - Streamlined code for simpler page structures
  - Access keys which support international keyboard functionality, across multiple browsers
  - Detailed alternative text image descriptions
  - Decreased page sizes/shorter download times for all users
- EBSCO*host* Online Viewer for eBooks will be fully JAWS compliant
