

Kuinka tunnistat saalistajajulkaisun?

Anna-Sofia Ruth, TSV/Julkaisufoorumi

Tiedon monet kasvot – mikä on oikeaa tietoa, kuka valitsee faktat?

17.11.2017

International Journal

Avoin julkaiseminen

- Muutos liiketoimintamalliin:
tilausmaksut -> kirjoittajamaksut
- Mitä enemmän lehti julkaisee artikkeleita,
sen enemmän se saa rahaa
- Verkkolehden (verkkosivun) perustamiskulut
minimaaliset

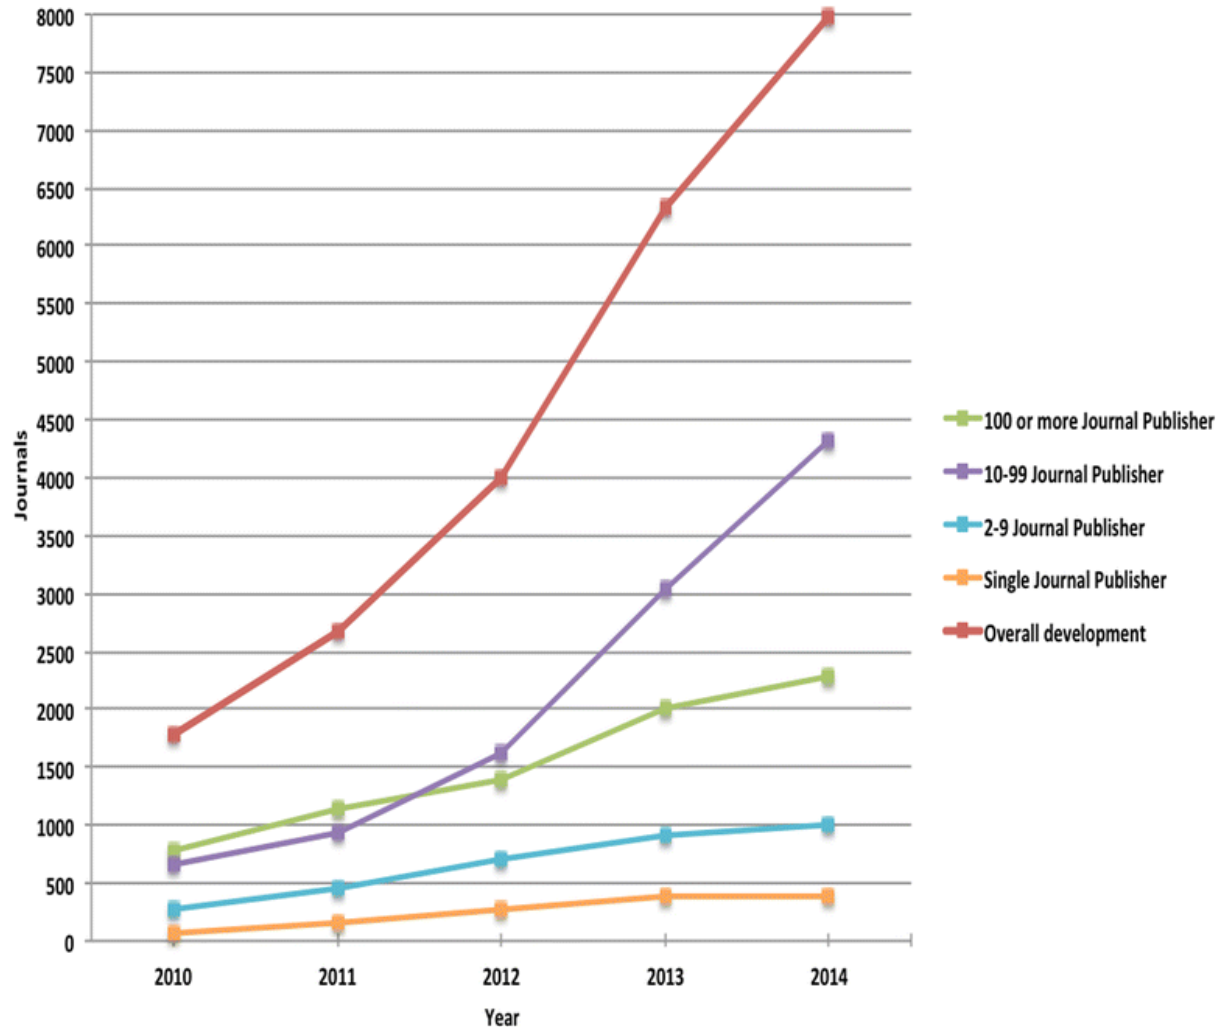

Avoimen julkaisemisen kannustimet

- **Suomen Akatemia** edellyttää rahoittamiltaan hankkeilta sitoutumista julkaisujen avoimeen saatavuuteen:
 - rinnakkaistallennus (green OA)
 - välittömästi avoin julkaisukanava (gold OA)
 - hybridijulkaisu (välivaihe)
- **Euroopan unionin** ERC-rahoitteisilta tutkimushankkeilta edellytetään avoimuutta:
 - rinnakkaistallennus
 - mahdollisuuksien mukaan avoimen julkaisukanavan valitseminen
- Ei vielä yliopistojen rahoitusmallissa, mutta tulevaisuudessa saattaa olla

Suorat yhteydenotot tutkijoihin sähköpostilla:

"Dear Professor,

I found the title of your presentation XXXXX as very interesting. I would like to invite you to submit an article of your research topic to our journal."

Tuntomerkkejä: laaja aihealue

About Us

Aims & scope

The variety of research domains covered by our journal is a challenging invitation to dialogue and potential interdisciplinary collaborative projects. European Academic Research (EAR) carries original research papers and reviews, on advances made within the journal's scope, which includes:

- Humanities
- Social Sciences
- Natural Sciences
- Public Health
- FineArts / Performing Arts
- Physical Education
- Engineering & Technology
- Business Studies / Finance / Commerce
- Agriculture / Veterinary Sciences
- Computer Application / Information Technology

All of this appears in this single, easily accessible, and hopefully stimulating forum.

Deadline for article submission: the 20th of each month

Tuntomerkkejä: matalat maksut

If you are invited, see below #1 and #2; If you are not invited, see below #3.

1. Open Access (OA): \$99 or less

If you are willing to pay pub fee (\$99 for report; \$80 for review) to support JNSCI, that will be great and help a lot, other hidden fee.

You can pay the invoice that will be sent to you. Thank you for your support.

If you are invited author, you may request 50% off for OA.

2. Regular Article with Limited Access (LA): \$0

If you are not willing to pay pub fee, your MS will be published as regular article with LA.

[Click here to see](#) how to get Full Text of LA article.

[Click here to see](#) examples of LA articles.

If you are invited author, you may request "change from LA to OA" without cost after 12 months of publication.

3. Non-Invited Author: \$99

If you are not invited author, the pub fee will be \$99 for report or review article.

If you are not invited and not willing to pay pub fee, please do not submit at this time.

Tuntomerkkejä: julkaisumaa

Saalistajalehtien julkaisumaa on yleisimmin:

- Intia
- Pakistan
- Nigeria
- Yhdysvallat
- Iso-Britannia
- "International"

Lähde: Shen, Cenyu & Björk, Bo-Christer (2015). 'Predatory' open access: a longitudinal study of article volumes and market characteristics. BMC Medicine 13: 230.

<http://dx.doi.org/10.1186/s12916-015-0469-2>

Tuntomerkkejä: nopea julkaisupäätös

1. Rapid Publishing Model

Publish with Pre-Sub Peer Review:

If your MS has been reviewed by two or more reviewers OR by another journal, your MS may be qualified for rapid publishing.

However, the Editor will decide whether you need additional reviewers

Publish with Post-Pub Peer Review:

If your MS is under process for more than two weeks, you may request this option to publish MS while awaiting peer review to be completed.

However, the Editor will decide whether you have to wait until peer review is completed.

Think, Check, Submit

Are you submitting your research to a trusted journal?
Is it the right journal for your work?

Use our [check list](#) to assess the journal

Only if you can answer 'yes' to the questions on our [check list](#)

Kriittinen ajattelu

- Epäile aina kaikkea, myös edellä esiteltyjä ”valkoisia listoja”
- Listat eivät ole koskaan täysin ajan tasalla
- Myös maineikkaiden kustantajien lehdissä laiminlyöntejä
